

Solutions for success,
made for banking better.

Introduction

At SBM Bank India, we understand the true meaning of wealth. We understand wealth is personal and means different things to different people basis their needs and expectations. Wealth is an approach. A mindset not limited by geography or history.

As India's youngest foreign bank and India's first Universal Bank to be accredited by RBI through its Wholly Owned Subsidiary route, SBM Bank India aims to deliver a potent combination of future-ready products and unique experiences across its Corporate, Retail and Treasury divisions. We do so by leveraging our unique digital-first approach, our parent's expansive Asia & Africa expertise, and, if need be, by partnering with the best firms in their chosen line of businesses.

As a local bank with global roots, we are keen to partner and fuel your dreams and growth aspirations.

Trailblazing the financial landscape with creative wealth thinking - as a digital-forward and tech-first premium banking institution, SBM Bank India offers a preferential suite of best-in-class solutions featuring product classes designed to offer personalised experiences through bespoke banking.

SMART BANKING

In the world of finance, relationships reward! Having embarked on a journey to create sustained value, we at SBM Bank India continue to partner with upcoming, aspiring and young visionary partners. This opportunity-embracing strategy helped us build one of the most comprehensive product portfolios and forge deeper collaborations that led to sustained product developments. We have curated a suite of services and solutions to cater to the ever-evolving needs of a wider audience.

We call it Smart Banking at SBM Bank India. Our Smart Banking product suite stands atop three pillars: **Collaboration** | **Technology** | **Innovation**

Our collaborations cater to various segments such as:

Cards

Taking businesses towards new possibilities

Digital Banking & Lending Solutions

Commerce for a new-age, digital banking journey

TREASURY

“Consistency with credibility” is the motto that drives all our endeavours. As such, the centre-vault of our premium banking solutions, SBM Bank India’s Treasury vertical, offers customised products and services to clients – based on their specific requirements. Designed to align with customer-focused best practices followed globally, it leverages state-of-the-art technology to deliver bespoke solutions and a user-friendly experience.

Foreign Exchange Remittances and Conversions – INR, USD and Cross Currencies

Hedging of client’s future foreign currency flows (Foreign Currency Payable or Receivable) using a range of FX products starting from vanilla cash, TOM and spot moving to slightly more complex structures like Long-Term Forwards Contracts and Vanilla/Structured Options

Other over-the-counter Foreign Exchange Services such as Currencies and Traveller’s Cheque

Debt market sales and solutions catering to the client segments, including Provident Funds, Wealth, Co-operative Banks and Corporates for their investment-related requirements in SLR and Non-SLR debt instruments

Hedging of client’s interest rate and/or currency risk on External Commercial Borrowings with a combination of Interest Rates and Currency Swaps

FX-Retail CCIL platform, which is an electronic trading platform introduced by the Reserve Bank of India and developed by the CCIL for buying or selling foreign exchange for all banking customers

Online FX dealing platform for select customers having regular FX flows

GLOBAL FINANCIAL INSTITUTIONS BUSINESS COVERAGE

Relentless in our pursuit of excellence, SBM Bank India actively nurtures strong FI (Financial Institutions) relationships with leading partner banks across the globe through an extensive team of experienced professionals and product specialists, thus establishing a robust domestic franchise in India.

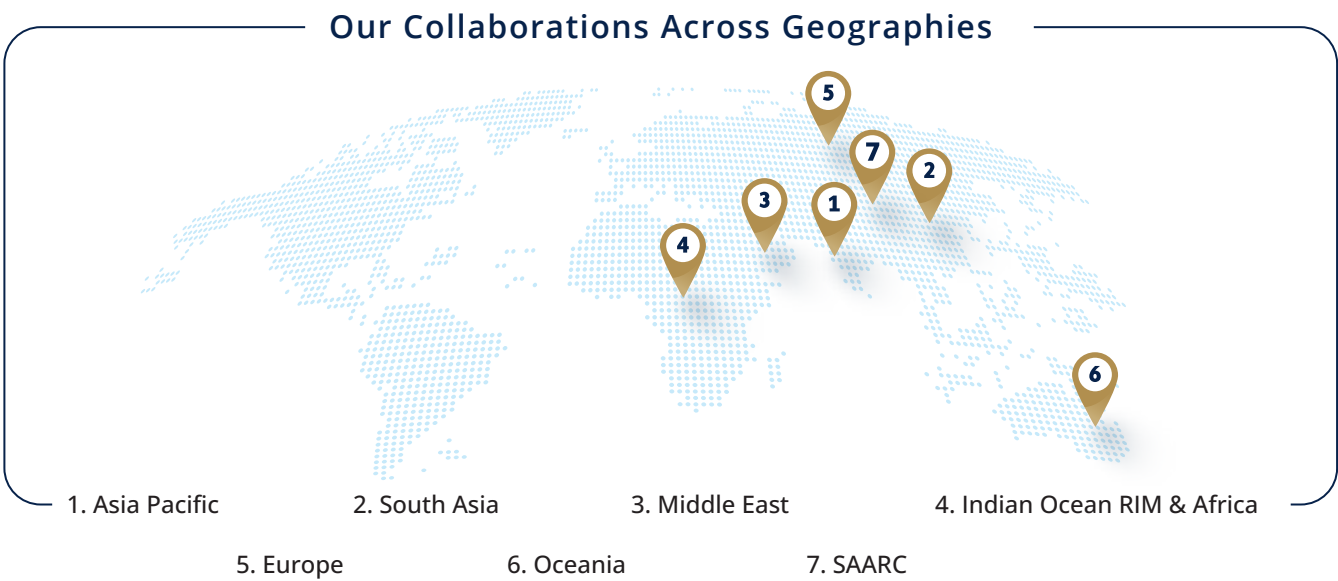

We, as a bank, have a focused intent to engage in a full-fledged FI-oriented business, primarily to bolster FI Trade, Treasury and Correspondent Banking. Inter-bank Borrowing and Lending, Secondary Market Risk Participation, Funding against Standby Letter of Credit, RA Financing and more.

The SBM Group enjoys considerable and vast trade patronage, especially from the Indian

Ocean Region and Africa. The Group's presence in East Africa and Mauritius helps leverage the huge importance of this trade route, and the Bank stays desirous of playing a vital role in the trade and development of the region. The Bank also strongly capitalises on the Group's geographic network to add value to and benefit its client base.

We have associated with partner banks globally across geographies – including Europe, SAARC, USA, South Asia, Oceania, Asia-Pacific, the Middle East and Africa.

We are a full-fledged INR clearing services provider for the Indian Rupee, and we stay well equipped to cater to our partner clients for INR Vostro Account relationships.
