### INDEPENDENT AUDITORS' REPORT

To The CEO Indian Operations, SBM Bank (Mauritius) Limited Indian Operations

### Report on the Financial Statements

 We have audited the accompanying financial statements of SBM Bank (Mauritius) Limited Indian Operations ("the Bank"), which comprise the Balance Sheet as at 31 March 2017, the Profit and Loss Account and the Cash Flow Statement for the period then ended and a summary of significant accounting policies and notes to the financial statements.

## Management's Responsibility for the Financial Statements

2. The Management of the Bank is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the provisions of Section 29 of the Banking Regulation Act, 1949, accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016 in so far as they apply to the Bank and the guidelines issued by the Reserve Bank of India and in conformity with form A and B (revised) of the Third Schedule to the Banking Regulation Act, 1949, as applicable. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the maintenance of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

- 3. Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
- 4. An audit Involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Bank's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### OpInion

5. In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Banking Regulation Act, 1949 as well as the Companies Act, 2013, in the manner so required for banking companies and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Bank as at March 31, 2017, its loss and its cash flows for the year ended on that date.

### Report on Other Legal and Regulatory Matters

- 6. The Balance Sheet and the Profit and Loss Account have been drawn up in accordance with the provisions of Section 29 of the Banking Regulation Act, 1949 read with Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014.
- As required sub section (3) of section 30 of the Banking Regulation Act, 1949 and the appointment letter dated 31 March 2017, we report that:
  - (a) We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit and have found them to be satisfactory;
  - (b) The transactions of the Bank, which have come to our notice, have been within the powers of the Bank; and
  - (c) The financial accounting systems of the Bank are centralised and therefore, accounting returns for the purpose of preparing financial statements are not required to be submitted by branches; we have visited 3 branches for the purpose of our audit.
- 8. Further, as required by section 143(3) of the Companies Act, 2013, we further report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - (b) In our opinion, proper books of account as required by faw have been kept by the Bank so far as it appears from our examination of those books;
  - (c) The Balance Sheet, the Profit and Loss Account and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016;
  - (e) Reporting regularement pursuant to Section 164 (2) of the Companies Act 2013, are not applicable considering this is a branch of SBM Bank (Mauritius) Limited;

# ANNEXURE 1 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF SBM BANK (MAURITIUS) LIMITED INDIAN OPERATIONS

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

To the CEO Indian Operations ~ SBM Bank (Mauritius) Limited Indian Operations

We have audited the internal financial controls over financial reporting of SBM Bank (Mauritius) Limited Indian Operations ("the Bank") as of 31 March, 2017 in conjunction with our audit of the financial statements of the Bank for the period ended on that date.

### Management's Responsibility for Internal Financial Controls

The Bank's Management is responsible for establishing and maintaining internal financial controls based on the Internal control over financial reporting criteria established by the Bank considering the essential components of Internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Bank's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as regulired under the Companies Act, 2013.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the Bank's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guldance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guldance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of Internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

ķ

a and the second as the second second second

Ņ.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Chartered Accountants

SBM Bank (Mauritius) Limited Indian Operations Auditor's report on Internal Controls Over Financial Reporting for the year ended 31 March 2017

## Inherent Limitations of internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Bank has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2017, based on the internal control over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### Explanatory paragraph

We also have audited, in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act, the financial statements of the Bank, which comprise the Balance Sheet as at 31 March, 2017, and the related Profit and Loss Account and Cash Flow Statement for the period then ended, and a summary of significant accounting policies and notes to the financial statements, and our report dated 30 June 2017 expressed an unqualified opinion thereon.

The financial scatements for the year ended March 31, 2017 comprise the accounts of the Indian Operations of SBM Bank (Mauritius) Ltd, ('the Bank') which is incorporated in the Republic of Mauritius, Mauritias with limited liability. The Bank is engaged in providing banking and financial services and is a banking company governed by the Banking Regulation Act, 1949.

### b) Basis of preparation

The linancial statements have been prepared in accordance with requirements prescribed under the Third schedule (Form A and Form B) of the Banking Regulation Act, 1949. The accounting and reporting policies of the Bank used in the preparation of these financial statements conform to Generally Accepted Accounting Principles in India (Indian GAAP), the guidelines issued by the Reserve Bank of India (RB) from time to time, the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Roles 2014 and other relevant provisions of the Companies Act, 2013 ("the Act") and the Companies (Accounting Standards) Amendment Rules, 2016 to the extent applicable and practices generally prevalent in the banking industry in India. The Bank follows the account method of accounting and the historical cost convention.

#### c) Use of Estimates

The preparation of financial statements, in conformity with generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities as at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results roudd differ from these estimates. Any revision to accounting estimates is recognized prospectively in current or future periods.

#### d) Revenue recognition

Income and expenses are recognized on accrual basis except as otherwise stated, interest income is recognized in the Profit and Loss account on accrual basis except in case of interest on non-performing asset which is recognized on receipt basis, interest income on discounted instruments is recognized over the tenor of the instrument on a straight line basis. In case of commission on letters of credit and locker fees income is recognized upfront on its becoming due. Commission on bank guarantees issued is anortised over the period of guarantees.

For all securities other than discounted instruments, weighted average cost after adjusting the depreciation booked is used to compute profit/loss on sale. In case of discounted instruments, the First in first out (FIFO) method is used for computing profit/loss on sale.

### e) Foreign Exchange Transactions

Income and expenditure items are recorded at the exchange rates prevailing on the date of the transaction. Assets and liabilities denominated in foreign nurrencies as at the Balance Sheet date are revalued at the year-end rates as notified by Foreign fixchange Dealers Association of India (FEDAI). Net exchange differences arising on the settlement of transactions and on account of assets and liabilities are charged or credited to the Profit and Loss account as prescribed by RBI.

Outstanding forward exchange contracts are revalued at rates of exchange notified by FEDAI and the resulting profits or losses are included in the Profit and Loss account. Guarantees and Acceptances, endorsements and other obligations are stated at the year end closing rate as notified by FEDAI.

## SCHEDULE FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

### SCHEDULE 17 - SIGNIFICANT ACCOUNTING POLICIES (continued.)

#### () Derivatives

Derivatives are financial instruments comprises of forward exchange contracts, interest rate swaps and cross currency swaps are undertaken for either trading or hedging purposes.

Trading derivatives are marked to market as per the generally accepted practices prevalent in the industry and the resultant unrealized gain or loss is recognized in the Profit and Loss Account, with the corresponding net unrealized amount reflected in Other Assets or Other Liabilities in the Balance Sheet. Forward Exchange contracts and other derivative contracts which have overdue receivables which have remained unpaid over 90 days or more are classified as non-performing assets and provided as prescribed by RBL.

The Bank also maintains a general provision on derivative exposures computed as per marked to market value of the contracts in accordance with the RBI guidelines.

#### g) investments

#### Classification

Investments are classified under "Held to Maturity" (BTM), "Available for Sale" (AFS) and "Held for Trading" (HET) categories in accordance with RBI norms. For the purpose of disclosure of balance sheet they are classified under 6 groups viz. i] Government Securities, ii) Other Approved Securities, iii) Shares, iv) Debentures and Bonds v) Subsidiaries and / or joint ventures and vi) Other Investments.

#### Valuation

Investments held under HTM category are carried at acquisition cost. If the acquisition cost is more than the face value, the premium is amortized over the period remaining tenor of the investments.

Investments categorized under AFS and IBFT portfolio are marked to market on daily basis. Investments under AFS and EUFT categories are valued as per rates declared by Primary Dealers Association of India (PDAI) jointly with Fixed Income Money Market and Derivatives Association of India (FIMMDA) and in accordance with the RBI guidelines. Consequently net depreciation, if any, under these classifications mentioned in Schedule 8 is provided for in the Profit and Loss account. The net appreciation, if any, under any classification is ignored, except to the extent of depreciation previously provided. The hook value of the individual securities is not changed consequent to periodic valuation of investments.

Treasury BBJs, Commercial Paper and Certificate of Deposit are valued at carrying cost.

Non Performing Investments are identified and provision is made as per RBI guidelines.

The valuation of other unquoted fixed income securities (viz. State government securities, Other approved securities, Ronds and dehentures) wherever linked to the YTM rates, is computed with a mark-up (reflecting associated credit and liquidity risk) over the YTM rates for government securities published by FIMMDA.

#### Transfer of Securities between Categories

Reclassification of investments from one category to the other, if done, is in accordance with RBI guidelines and any such transfer is accounted for at the acquisition cost/book value/market value, whichever is fower, as at the date of transfer. Depreciation, if any, on such transfer is fully provided for,

#### Repurchase transactions

Repurchase and reverse repurchase transactions (if any) are accounted for as outright sale/ purchase respectively in accordance with the prescribed RBI guidelines. The difference between the clean price

e de la come

## SCREDULE FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

of the first log and the second log is recognized as interest income/expense over the period of the transaction in the Profit and Loss account.

#### Others

Brokerage, fees, commission and broken period interest incurred at the time of acquisition of securities, including money market instruments, are recognized as expenses in Profit and Loss account.

#### h) fixed Assets

Office Promises is stated at revalued amount less accumulated depreciation / amortization and all other Fixed Assets are stated at cost less accumulated depreciation / amortization.

Depreciation on the Fixed Assets is charged on straight-line method over the useful life of the fixed assets prescribed in Schedule II of the Companies Act, 2013. The useful life of the group of fixed assets are given below.

Type of Assets	Useful life
Office Premises	60 years
Office equipment (including Air conditioner)	5 years
EDP Equipments, Computers	3 years
Software	3 years
Furnitare & Fixtures	10 years
Motor Car	8 years

#### **Revaluation of Fixed Assets**

Premises are revalued in every five years by an independent valuer to reflect current market valuation. Appreciation, if any, on revaluation is credited to Revaluation Reserve. Depreciation on the revalued portion of asset is adjusted from revaluation reserves.

#### Impairment of Assets

The carrying amount of assets is roviewed at each halance sheet date if there is any indication of impairment based on internal / external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount (i.e. the higher of the asset's net selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the Profit and Loss account.

#### i) Advances

a) The Bank follows prudential norms formulated by RBI for classifying the assets as Standard, Sub-Standard, Doubtful and Loss assets are stated net of the required provision made on such advances. b) Provision for advances classified as Standard, Sub-Standard, Doubtful & Loss assets are made based on management's assessment, subject to minimum provisions as per RIH guidelines.

#### j] Retirement and employee benefits

i) Leave salary - The employees of the Bank are entitled to carry forward a part of their marvailed/unutilized leave subject to a maximum limit. The employees cannot encash unavailed/unutilized leave. Hence, True Bank has not computed the compensated absence provision as per revised AS 15 -- Employee Benefits.

II) Grataity - The Bank provides for gratuity, a defined henefit retirement plan, covering eligible employees. The plan provides for lump sum payments to vested employees at retirement or upon death while in employment or on termination of employment for an amount equivalent to 15 days' eligible salary payable for each completed year of service if the service is more than 5 years. The Bank accounts for the liability for future pratuity benefits using the projected unit cost method based on annual actuarial valuation. Gratuity fund is being managed by "LEC Group".

100.000

.....

. .

## SCHEDULE FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

Gratuity Scheme" and any actuarial gain / loss contribution determined by the actuary are charged to Profit and Loss account and are not deferred.

iii) Provident finiti - In accordance with law, all employees of the Bank are entitled to receive henefits under the provident fund, a defined contribution plan in which both the caployee and the Bank contribute monthly at a pre-determined rate. Contribution to provident fund are recognized as expense as and when the services are rendered the Bank itas no itability for future provident fund benefits other than its annual contribution.

#### k) Net Profit / Loss

Prolit/Loss for the year is arrived at after providing for non-performing advances, adjustments on valuation of investments, taxes on become, depreciation on tixed assets and other necessary and mandatory provisions.

#### l) Taxation

Income tax comprises the current tax (i.e. amount of tax for the period, determined in accordance with the income tax Act, 1963 and the rules framed there under) and deferred tax (reflecting the tax effects of timing differences between accounting income and taxable income for the year)

Provision for current tax is recognised an accordance with the provisions of Indian Incurse tax Act, 1961 and is made based on the tax liability after taking credit for tax allowances and exemptions.

The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted at the Balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future. However, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is virtual certainty of realization of such assets. The Bank assesses / re-assesses the unrecognized deferred tax assets at each balance sheet date.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the bank will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the bank.

#### w) Operating Lease

Leases where the lessor effectively retains substantially all the risks and benefits of ownership over the lease term are classified as operating leases. Lease transactions are accounted in accordance with AS 19 – Leases issued by ICAI. For operating leases, lease payments are recognised as an expense in the statement of Profit and Loss account on a straight line basis over the lease term.

#### n) Accounting for Provisions, Contingent Liabilities and contingent Assets

A provision is recognized when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation or that may, but probably will not, requires an outflow of resources. When there is a possible obligation or a present obligation of a present obligation or a present obligation or a present obligation or a present obligation or a present obligation of a present obligation or a present obligation or a present obligation of a present obliga

Provisions are reviewed at each Balance sheet date and adjusted to reflect the best available estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

0. je 1

ģ

## SCHEDULE FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

Contingent liabilities are recognized only when there is a possible obligation arising from past events due to occurrence or non occurrence of one or more uncertain future events, not wholly within the control of the Bank, or where there is a present obligation arising from a past event which is not recognized as it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation connot be made. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent Assets are not recognized in the financial statements since these may result in the recognition of an income which may never be realised.

#### o) Floating and countercyclical provision

Countercyclical provisioning buffers and floating provisions is the specific amount that Bank has set aside in good times. These are used only in contingencies or extraordinary times of economic or system-wide dowoturns. RBI had allowed to utilise up to 33 percent and 50 percent of countercyclical provisioning buffer/floating provisions held by them as on March 31, 2013 and December 31, 2014 respectively. These are considered as part of NPA provisions for the purpose of compliance with the minimum RBI provisioning requirement.

### p} Cash and Cash Equivalents

Cash and cash equivalents include cash in hand, balances with RBI, balances with other banks / institutions and money at call and short notice (including effect of changes in exchange rates on cash and cash equivalents in foreign currency).

#### 9. Disclosures on risk exposure in derivatives:

#### a) Qualitative Disclosures

### The structure and organization for management of risk in derivatives trading:

Treasury operation is segregated into three different department's viz. front office, mid office and back office. The primary role of front office is to conduct business that of mid office is to ensure compliance in accordance with set norms and policies and that of back office is to process/settle the transactions,

The Bask has in place policies and procedures, which have been approved at various levels including Board, Executive Forum & Asset Liability Committee (ALCO) in India to ensure adherence to various risk parametees and pendential limits.

## The scope and nature of risk measurement, risk reporting and risk monitoring systems:

#### a. Risk Measurement

For foreign exchange contracts, risk is measured through a daily report called, Value at Risk (VAR), which computes VAR on the forex, gaps using FEDAI VAR factors.

1000

and produced and the second second second

A DAY MAN HARMAN ANY TINA

ł.

- b. Risk Reporting and Risk monitoring systems:
  - The Bank has the following reports/systems in place, which are reviewed by the top management:
- L VAR
- Net Open Position.
- 3. Aggregate Gap Limit (AGL)/Individual Gap Limit (IGL)
- 4. Stop loss limits
- c. The Bank has the following policy paper in place, and approved by its Head Office;
- 1. Treasury Manual
- 2. Asset-Liability Management (ALM) policy

#### Accounting Palicy:

All outstanding derivatives transactions (including forex forwards) are booked as off-balance sheet items. The trading positions are revalued on a marked to market basis whereas the funding/investment swaps follow the accrual basis of accounting.

#### b) Quantitative Disclosures

## 24. Description of contingent liabilities

Sr. No.	Contingent Liabilities	Brief
1.	Claims against the	The bank is a party to various legal and tax proceedings in the normal
i	Bank not	course of basiness.
	acknowledged as	The Bank does not expect the outcome of these proceedings to have a
	debts	material adverse effect on the Bank's financial conditions, results of a
- <u>-</u>		operations or cash flows.
2.	<ul> <li>Mability on account of</li> </ul>	The Bank enters into foreign exchange contracts, currency options,
	forward exchange and	forward rate agreements, currency swaps and interest rate swaps with
	derivative contracts	mterbank participants and customers. Forward exchange contracts are 1
		commitments to buy or sell foreign currency at a future date at the
ł		contracted rate. Currency swaps are commitments to exchange cash
		flows by way of interest/principal in one corrency against another,
		based on predetermined rates. Interest rate swaps are commitments to
!		exchange fixed and floating interest rate cash flows. The notional
1		amounts of financial instruments of such foreign exchange contracts
		and derivatives provide a basis for comparison with instruments
		recognized on the balance sheet but do not necessarily indicate the amounts of future cash flows involved or the current fair value of the
†	:	instruments and, therefore, do not indicate the Bank's exposure to
-		credit or price cisks. The derivative instruments become favorable
I		(assets) or unfavorable (liabilities) as a result of fluctuations in market
		rates or prices relative to their terms. The aggregate contractual or
		notional amount of derivative financial instruments on hand, the extent
i	i	to which instruments are favorable or unfavorable and, thus the
]		aggregate fair values of derivative financial assets and habilities can
		fluctuate significantly.
3.	Guarantees given on	As a part of its commercial banking activities the Bank issues
	behalf of constituents,	documentary credit and guarantees on behalf of its customers, i
	acceptances,	Documentary credits such as letters of credit enhance the credit
	endorsements and	standing of the customers of the Bank. Guarantees generally represent
	nanes nongarions	revocable assurances that the Bank will make payments in the event
		of the customer failing to fulfill its financial or performance obligations.
4.	other items for which	<ul> <li>Value dated purchase of securicies</li> </ul>

### 34. Segment Reporting

### Part A: Business Segments

. . . .

In accordance with RBI guidelines, the Bank has identified the following three primary segments: Treasury, Corporate Banking and Retail Banking. These segments are identified based on nature of services provided, risk and returns, organizational structure of the Bank and the internal financial reporting system.

Treasury Operations: Undertakes Derivative Trading, Money Market Operations, and Investment in Bonds, Treasury Bills, Government Securities, CP, CD and Foreign Exchange Operations. The revenue of this segment consist of interest earned on funding, investment income and gains on Government Securities, CP, CD's and debenture / bunds, profits / loss on exchange and derivative transactions. The principal expenses of this segment consist of cost of funds, personnel cost, other direct overheads and allocated expenses.

**Corporate Banking:** Primarily comprises of funded advances to Corporate. Revenues of this segment consist of interest earned on loans made to corporate clients, interest earned on cash float and fees received from fee based activities like letter of credit, guarantee etc. The principal expenses of this segment consist of interest expenses on funds borrowed allocated based on personnel costs and allocated expenses. **Retail Banking:** Consists of revenue arising out of personal loan, housing loan, etc.

### Part B: Geographic Segments

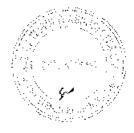

The Bank operates as a single unit in India and as such has no identifiable geographical segments subject to dissimilar risks and returns. Hence, no information relating to geographical segments are presented.

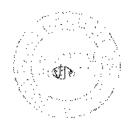

### Notes for segment reporting:

- In computing the above information, certain estimates and assumptions have been made by the Management and have been relied upon by the auditors.
- inter-segment transactions have been generally based on transfer pricing measures as determined by the Management
- 3. Assets, liabilities, income and expenses which cannot be allocated to any segments have been classified as unallocated. The unallocated liabilities include 'Share Capital' and 'Reserves and Surplus', TDS, vendor provision, capital and reserves. The unallocated assets include taxes, Fixed Assets net of depreciation. The unallocated expenses includes IT expenses, repairs and maintenance, rent, conveyance, etc.

## 35. Disclosure under Employee Benefits - Revised Accounting Standard 15

- a) The Premium payable to Life Insurance Corporation of India towards "Group Gratnity Policy" has been charged to Profit & Loss Account is Nii (PY 11.85 crores) and there is no unamortized Hability held in the books.
- b) The contribution to employees Provident Fund amounted to Rs. 0.44 crores for the year ended March 32, 2017 (P.Y.: Rs. 0.32 crores).
- c) The Bauk has a policy to pay leave encashment to employees only on their retirement or superamuation and not on the intermediate separations. In the opinion of the management, there shall not be any significant liability towards leave encashment and as such, no provision has been made for the same.
- d) The Bank do not have Pension Scheme for its employees.

(a) Information relating to the composition and mandate of the Remuneration Committee.	Not appheable as Renumeration & Nomination Committee is held at Head Diffee in Mauritius
(b) information relating to the design and structure of remimeration processes and the key features and objectives of Remimeration policy.	The Bank follows the following practices and principles in designing and structuring the remaneration processe- A focus on long-term, risk-adjusted performance and reward mechanism by tocusing on performance of the individual employee, the relevant line of bismess or function and the Bank as a whole. It seeks to drive accountability, and co-relate risk, financial performance and compensation, Key features and Objective of Remaneration policy are: The bank shall follow a Cash plus Benefits (Pixed Pay plus Benefits) approach in its Compensation framework by providing competitive level of compensation to attract and retain qualified and competent staff members. The compensation should be adjusted for all types of risk.
(c) Description of the ways in which current and future risks are taken into account in the remuneration processes. It should include the nature and type of the key measures used to take account of these risks.	SBM has in place a robust risk and performance management system to capture, monitor, and control the risks created by its business activities. The goal is to not only manage the risks of the Firm, but also to create a culture of risk awareness, risk quantification and measurement and personal accountability. It seeks to ensure that the potential for any risk-taking by any
(d) Description of the ways in which the bank seeks to buk performance during a performance measurement period with levels of remoneration.	individual, group, or business is controlled. In determining total compensation, it considers the overall scope of an employee's responsibilities, the performance history of the individual with the Bank, comparisons with other staff within the Firm, external market compensation, and the overall performance of the function and the Bank and Group as whole. The Bank looks at sustained superior performance achieved
(c) A discussion of the bank's policy on deterral and vesting of variable remuneration and a discussion of the bank's policy and criteria for adjusting deferred remuneration before vesting and after vesting.	across multiple factors over multiple time periods. The variable/performance pay shall not exceed 76% of the fixed pay for the year. In case where the variable pay constitutes a substantial portion of the fixed pay, i.e. 50% or more, then an appropriate portion of the variable pay, i.e. around 50% of the variable pay will be deferred over a minimum period of 3 years. In the event of negative contributions of the bank in any year, the deferred compensation will be subject to malus arrangements which permits the bank to prevent vesting of all or part of the amount of a deferred remuneration, but it does not reverse vesting after it has already occurred.
(f) Description of the different forms of variable remuneration (i.e. cash, shares, ESOPs and other forms) that the bank utilizes and the rationale for using these different forms.	There will be a proper balance between the fixed and the variable pay. The variable pay shall not exceed 70% of the fixed pay for the year. The proportion of variable pay will be higher at higher levels of responsibility and could be in each, or stock linked instruments or mix of both.
Quantitative disclosures (The quantitative disclosures should only cover W (g) Number of meetings held by the Remuneration Committee during the financial year and remuneration paid to its members.	have Time Directors / Chief Executive Officer/ Other Risk Takers) Not applicable as Remuneration & Nomination Committee is held at Head Office in Mauritius

**51.** The Bank is initiating the Global Technology Transformation Project with rollout of latest version of Finacle core banking solution including Internet/Mobile Banking and Card Services. Bank has baselined an IT Security Strategy document to ensure defence, resilience and assurance of systems to customers and stakeholders. Bank also periodically reviews and enforces the policies related to Information Technology Governance, Information security, IT Operations, IT services outsourcing, IS Audit, Cyber Security controls for frauds and Business Continuity Planning to strengthen the IT infrastructure. This is to address the gaps identified for achieving compliance as per the guidelines stated in RBI circular DBS.CO.ITC.BC No.6/31.02.008/2010-11 April 29, 2011.

### 52. Unhedged Foreign Currency Exposure

The Bauk closely monitors the unbedged foreign currency exposures of its corporate clients and also factors this risk into the pricing. The information on the unbedged foreign currency exposures of the corporate is obtained on a quarterly basis and riskiness of the same with respect to the USD ~ INR exchange rate fluctuation is assessed.

## SCHEDULE FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

#### Qualitative disclosure

The Reserve Bank of India has prescribed monitoring of sufficiency of Bank's liquid assets using Basel III – Liquidity Coverage Ratio (LCR). The LCR is aimed at measuring and promoting short-term resilience of Bank's to potential liquidity disruptions by ensuring maintenance of sufficient high quality liquid assets (HQLAs) to survive an acute stress scenario lasting for 30 days.

The LCR requirement has been introduced in a phased manner with banks required to maintain minimum LCR of 70% till Dec 2016 and the 80% from Jan 2017 onwards. The requirement will be increasing by 10% annually to 100% by Jan 2019.

The ratio comprises of high quality liquid assets (HQLAs) as numerator and net cash ontflows in 30 days as dominination. HQLA has been divided into two parts i.e. Level 1 HQLA which comprises of primarily cash, excess CRR, excess SLR and a portion of mandatory SLR as permitted by RBI (under MSF and FALLCR). Cash outflows are calculated by multiplying the outstanding balances of various categories or types of liabilities by the outflow run-off rates and cash inflows are calculated by multiplying the outstanding balances of various categories of contractual receivables by the rates at which they are expected to flow in.

#### 54. Capital Commitment

Capital Commitment outstanding as on March 31, 2017 amounts to Rs. 0.08 crores. (P.Y.: Rs. 0.10)

S5. RBI vide its circular dated 18th April 2017, has directed banks shall make suitable disclosures, wherever either (a) the additional provisioning requirements assessed by RBI exceed 15 percent of the published net profits after tax for the reference period or (b) the additional Gross NPAs identified by RBI exceed 15 percent of the published incremental Gross NPAs for the reference period, or both. There has been no divergence as there was no RBI inspection held for the financial year 2015-16 in respect of the Bank's asset classification and provisioning under the extant prodential norms on increae recognition asset classification and provisioning (IRACP) which require such disclosures.

### 56. Disclosure of Specified Bank Notes (SBNs):

As per the clarification from RBI, the provisions of the MCA Notification dated 30th March 2017 requiring companies to disclose details of the SBNs held and transacted during the notified period is not applicable to banks.

### 57. Priority sector lending certificates
