However, if the Total Amount Due is not paid by the payment due date, then there will be no interest free period. For cash advances, interest is charged from the date of the transaction until the date of payment.

Illustrative Example for Interest-Free Period Calculation

1. For a statement for the period 1st April to 30th April, the payment due date is 15th of May. Assuming you have paid your previous month's dues in full, the interest free period would be:
 - For the purchase dated 1st April, interest free grace period is from 1st April to 15th May = 45 days
 - For the purchase dated 26th April, interest free grace period is from 26th April to 15th May = 19 days
